AP* FEATURES

The AP* Edition of *Government in America* includes additional features that will be helpful to AP* students. The AP* Correlation Guide includes a detailed list of Government and Politics: United States AP* topics correlated to *Government in America*. By following the page references in the second column, students can find the discussion of each of the six major topic areas, and their more-specific details, in the pages of *Government in America*. This AP* Correlation Guide will help students study and review for exams.

The AP* Edition also includes for each chapter a selection of multiple choice and free response questions. These practice drills replicate actual AP* exam questions, tied specifically to each chapter of *Government in America*. The answers to the questions are also included for both the multiple choice and free response questions, and include explanations for the answers, to further guide students. The AP* Exam questions and answers are at the back of the book.
